# 2021 SEASON

## WELCOME

To stay up to date with all the big V news, results & ladders visit their website  
[www.gameday.bigv.com.au](http://www.gameday.bigv.com.au) or the Steelers site.

In a stand alone game tonight we welcome the Hawthorn Magic to the Steelerdome to take on our State Championship Men.

This will be the second time the two sides have met following a round one win for the Magic as the Steelers ran out of legs in the second half with only 7 healthy players available.

The Steelers have been in good form of late really pushing the top 2 sides with a buzzer beater needed from 1st place Sunbury and a tough 3rd quarter shooting performance last week letting Keilor run away despite 6 points separating the other quarters.

For the Magic they will be wanting to build a winning streak after an impressive second win against 3rd place McKinnon last week. Led by Joe Furphy with 29 on 63% shooting and Kirk Smith 15 points shooting 57% from the perimeter.

As always the Big V program doesn't run without the help and assistance of all the WPBA staff and volunteers as well as our valued player & Team sponsors and partners. We hope 2021 will see a completed and successful campaign for all our sides, good luck and Go Steelers!
